

ENERGY STAR APPLIANCES SAVE YOU ENERGY & MONEY!!

Products that have an **ENERGY STAR**® label have achieved the highest rating a product can earn for energy efficiency. (Translation: they are cheaper to use!)

By purchasing an **ENERGY STAR**® rated appliance, you will use less energy, save money on your electric bill, and help reduce pollution. Look for the **ENERGY STAR**® label on all kinds of electrical equipment.

Applying for your rebate is easy. Just fill out the Rebate Claim Form and send it to Moose Lake Water & Light Commission along with your dated sales receipt, within one year of your purchase.

To view a list of all qualifying models, log onto www.energystar.gov or look for the ENERGY STAR label on appliances. ENERGY STAR appliances are available at appliance retailers in Moose Lake and nationwide.

FOR MORE INFORMATION

Moose Lake Water & Light Commission does not guarantee that specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program.

Moose Lake Water & Light Commission makes no warrants, expressed or implied, with respect to any equipment purchased and / or installed, including but not limited to any warrant of merchantability or fitness for purpose. In no event shall Moose Lake Water & Light Commission be liable for any incidental or consequential damages.

Your Home Improvement Appliance Rebate Program

APPLY FOR YOUR REBATE TODAY

Fill out this form completely and send it to Moose Lake Water & Light Commission along with a copy of your sales receipt which shows the model number of the appliance you purchased. Include proof the appliance is ENERGY STAR.®

ENERGY STAR® appliances will give you top performance while conserving energy. Moose Lake Water & Light Commission thanks you for saving energy and helping the environment

If you would like more information on the Moose Lake Water & Light Commission rebate program, call 218-485-4100.

**** Rebate only if did not purchase at MLWL customers *may not receive more than one rebate per type of appliance within a five-year period.***

Multiple rebates may be received in one year for different types of appliances. All equipment must be installed in facilities that are served electrically by Moose Lake Water & Light Commission. **

You will receive a credit on your Utility Bill for qualifying rebates.

Must provide sales receipt and proof that the item is energy star®, within one year of your purchase.

Additional rebate will be added with a signed receipt from a recycling center that you disposed of your old non-energy saving appliance in the proper method.
